WHEREAS, the general welfare of the people of the City of Picayune and surrounding territory requires that the water resources of this area be conserved and protected in accordance with the public policy of the State of Mississippi as set forth in Chapter 167 of the General Laws of the State of Mississippi of 1956,

NOW, THEREFORE, Be It Resolved by the Mayor and Council of the City of Picayune, Mississippi, that any further deepening of any channel from East Pearl River to other streams or bodies of water of any kind or character whatsoever and specifically referring to the proposed project at hand, be, and the same is hereby, protested, and any diversion of water from East Pearl River to any other place whatsoever is hereby protested and declared to be against the general welfare of the City of Picayune, Mississippi, and it is further hereby resolved that this resolution shall be, and it is hereby, made in its entirety as a formal objection to any projects on the part of anyone to divert water from East Pearl River in any manner whatsoever, and that a copy of same shall be filed as a formal protest at hearing to be held by the United States Court of Engineers at Bogalusa, Louisiana, on the 26th day of March, 1957.

ADJUSTED VALUATIONS ON HOMESTEAD EXEMPTIONS
SUBMITTED BY STATE TAX COMMISSION

There came on for consideration certain Notices of Adjustments in Homestead Exemption allowances as submitted by the State Tax Commission for 1956. After investigation of the facts in each case, and upon motion made by J. M. Howell, seconded by J. B. Calvin, and unanimously carried, it is hereby ordered that the City Clerk file acceptance on all adjustments, with the exception of the following, on which protest shall be filed for the reasons set forth as follows, to-wit:

- McKee, Mrs. Cammie F. --- Objection is made to disallowance. Applicant states that full occupancy is made of the home by her family, with the exception of one small apartment rented, and that no other space is available for rent. Exemption is requested.
- Mitchell, Callie L. ---- Objection is made to disallowance. Error on description of property was made on application; applicant is entitled to exemption on Lot 11, Blk C, Mrs. J. A. Harris Addition. Correction of description on application and exemption is requested.
- Gaines, Sr., Johnnie --- Objection is made to disallowance. Exemption was signed by Johnnie Gaines, Jr., at a time when his father was ill and unable to sign his name because of being bedridden, and has since died. Johnnie Gaines, Jr. held a general power of attorney for his father at that time, and Johnnie Gaines, Sr. was actually entitled to exemption, which is requested.
- Lynch, Lillie Mae E. ---- Objection is made to disallowance. Original deed from Leroy Mitchell to Lynch dated 1--30--46, recorded DB 66, p. 58 (Pearl River County) contained erroneous description. Correction deed executed by Mitchell on May 2, 1951, recorded DB 89, p. 552 vests title in Lynch to property still occupied as home. Quitclaim deed from Lynch, recorded DB 114, p. 7 covers property erroneously deeded under original deed, and does not affect homestead property. Exemption requested.

Webb, Renda W. ----- Objection is made to disallowance. Same circumstances apply as in the case of Lillie Mae B. Lynch. Quitclaim was made by Webb covering property erroneously conveyed under original deed, and does not affect homestead property. The records on this property were further complicated due to dual assessment by County, and County Tax Sale on dual assessment for year 1951. Applicant holds all tax receipts, City and County, covering property as correctly assessed in her name. Exemption is requested.

EXTENSION OF NATURAL GAS LINES AUTHORIZED

AYES: J. B. Calvin, J. M. Howell, and L. O. Crosby, Jr.,

NAYS: W. E. Godard, H. V. Carr

it was ordered that the City Manager be and he is hereby authorized to proceed with the extension of present City natural gas main for a distance of approximately 2 miles west of the City Limits, and it is further ordered that natural gas service in said area be rendered to consumers by installation of gas meters at their property lines, and billing for natural gas service shall be 10% in excess of the regular City gas rates now in effect or hereafter adopted; consumers will be required to make \$10.00 deposit to insure payment of bills, but inasmuch as meters are to be installed at property lines, no installation charge will be made.
