RESOLUTION REQUESTING LEGISLATIVE DELEGATION  
TO SEEK LOCAL AND PRIVATE ACT TO PAY CERTAIN  
BENEFITS TO INJURED MUNICIPAL EMPLOYEES

Upon motion of Granville E. Smith, seconded by Fred G. Macdonald, Jr., and unanimously carried, the Mayor and Council resolve as follows:

Whereas, upon the 16th day of October, A.D., 1975 the municipality became covered by a policy of workmen's compensation insurance providing certain benefits for work related injuries to municipal employees, and

Whereas, prior to such coverage becoming effective, the following municipal employees were injured while acting in the course of their employment:

1. James Crosby, date of injury, March 1, 1972
2. Jack McQueen, date of injury, February 2, 1974

Whereas, if such employee had been injured at a time when workmen's compensation insurance benefits were available to them each would be entitled to receive the following benefits:

1. James Crosby, \$46.03 per week for 450 weeks.
2. Jack McQueen, \$56.00 per week for 90.5 weeks

Whereas, the municipality has entered into an agreement with James Crosby and Jack McQueen individually such that each said injured employee is to be compensated for such work related injury as if, and to the same extent, workmen's compensation insurance was available to each of them, and the municipality now seeks statutory authority to implement said agreement.

Now, Therefore, be it resolved by the Mayor and Council that legislation be sought from the State of Mississippi authorizing and directing the City of Picayune to pay unto James Crosby and Jack McQueen benefits for work related injuries to the same force and effect as if the City of Picayune had been fully covered by workmen's compensation insurance at the time said employees became injured, and that the moneys so paid to said injured employees shall be paid from the general fund and the utility fund of said municipality, commencing with the date of the injury.

The vote on the above and foregoing resolution resulted as follows:
