- 1. Consider request for a Subdivision Approval – Highland Development Company is seeking permission to re-zone PPIN No. 52422 from PUD-R (Planned Unit District) to C-3 (Highway Commercial). Property located north of Highland Parkway. Property zoned PUD-R (Planned Unit District).**

**Discussion:**

*Dennis Collier, Is there anyone here to represent the zone change request?*

*Gary Beech, I am here to represent the Highland Development Company.*

*Dennis Collier, please tell us why you are asking for the zone change.*

*Gary beech*, I am sure you are all familiar with the Highland Parkway. The hospital is interested in purchasing some of this property but has not told us which piece of property there are interested in yet. They were told when we purchased the property that they would have 1<sup>st</sup> shot of anything that would be put on the property. We have had some meetings and they said they would get back to us on what they want. It will open it up for us to zone commercial. The current zoning has a lot of options, but it would be better for us as commercial.

*Dennis Collier*, I think C-3 has a lot better options than PUD.

*Dennis Collier*, does anyone have any more questions or concerns?

After discussion, with no opposition, the Planning Commission made the decision to approve this request for a zone change. The following vote was taken:
